Semi-Finals

Should we be fortunate enough to advance to Semi-Finals, we will not know our schedule until late Friday evening. As soon as we get the schedule from BOA, we will begin to organize the Saturday itinerary. It will be sent to families via ParentSquare, our GroupMe's, and the newsletter.

We may perform as early as 7:00am or as late as 3:45pm. **Be ready for anything**, and we directors will communicate as quickly and efficiently as possible.

Finals

Should we be fortunate enough to advance to finals. We will know around 4:30 or 5:00pm on Saturday afternoon/evening. Regardless of the announcement, all performers and chaperones will meet at the Brownsburg designated room in the Convention Center. Directors will send as schedule as soon as possible.
