**Dear Solo and Ensemble Director,**

Please take time to read the information provided in this mailing and disseminate the appropriate materials:

- 1) Performance times with warm-up and performance room numbers.
- 2) Maps to our school. (Winds and Percussion at Tri-West High School, Strings at Tri-West Middle School)
- 3) Map of the school facilities.
- 4) Reminders concerning our facilities and our expectations of your students.
- 5) A **“Parent Information Letter”** to duplicate and distribute.
- 6) General information concerning equipment, facilities, and procedures.

It is **EXTREMELY IMPORTANT** that you locate your performing solos and ensembles on the accompanying schedule. **IF FOR ANY REASON YOU DO NOT SEE A SOLOIST OR ENSEMBLE THAT YOU BELIEVE WAS ENTERED IN THIS FESTIVAL, CONTACT THE ISSMA, INC. OFFICE IMMEDIATELY TO RECEIVE CLARIFICATION ON THE DISCREPANCY.**

We are pleased that you and your students will be with us on February 1 and want you to know that we will be doing everything possible to make your performance experience as positive as possible.

PLEASE take the necessary time to disseminate the performance times to your students along with a copy of our school map. We have also included a “Parent Information Letter” that outlines specific guidelines for parents. It is extremely important that you duplicate and disseminate this letter to parents.

On the performance day, the Festival Headquarters will be located in the Media Center. Please direct questions and concerns here. Prior to leaving the site you **MUST** pick up all results from the Festival Headquarters.

If you are unable to be present on the performance day to assist your students, pick-up the results or enter your students for State, you must provide a trustworthy adult designee to fulfill your responsibilities. Please provide a letter acknowledging the designated person to serve as your replacement to pick-up results and to make State entries to avoid any confusion or difficulties. Please note the person making state entries **MUST** have access to the ISSMA Directors Only login information of the director who originally submitted the entry.

**ALL STATE ENTRIES MUST BE MADE ON THE DISTRICT PERFORMANCE DAY. Information regarding the online process for reviewing results and making state entries can be accessed using the following link to the ISSMA Website: <https://www.issma.net/secure/downloads/sandonlineprocess.pdf>**

**Directors are reminded that State Entry Payments must be made online with a Credit Card, Electronic Director or Electronic School Check. Directors may also make an in-person payment by giving Headquarters a Director Check, School Check or School Purchase Order.**

If you have any questions prior to the performance day, please contact me.

Kyle Hartzog,  
Tri-West Director of Bands

## **NOTICE TO DIRECTORS**

You are responsible for the behavior of the students whom you enter at ISSMA Solo & Ensemble events. You are also responsible for picking up the adjudication sheets and making state entries on the day of the event. Therefore, it is VERY important that you are in attendance at your solo & ensemble site. If, for some reason, it is not possible for you to attend, you must arrange for another teacher or official from your school to be your representative and provide them with a letter stating that they have accepted this responsibility on your behalf. **This person must be able to log into [www.issma.net/sande](http://www.issma.net/sande) with the same email address and password you used to submit your original entry.**

Our site hosts are very valuable to the association. We will take steps to ensure that host schools are protected from unsupervised students who create problems at the site. If you have any students whom you do not trust to behave in a responsible manner, please do not allow those students to participate. Take the time to instruct all your entrants on proper public behavior. A few people can ruin the day for everyone.

The directors of the member schools serve as the liaison between ISSMA and schools, students, parents, and staff members regarding questions or concerns for all ISSMA events. Parents and students should never address concerns directly to an adjudicator or host school volunteer.

Directors should express all concerns about adjudication by completing the online Adjudicator Evaluation form found in the Director's Only area of the ISSMA website. Direct contact with any adjudicator is considered inappropriate. Directors are not to contact any ISSMA judge regarding point scores, ratings, rankings, or recorded/written commentary.

Please note that discipline concerns at ISSMA events deemed to be of a serious enough nature, may result in a warning, a one (1) year suspension for the organization in question, or such other disciplinary or remedial measures as may be appropriate, i.e., assessment for damages.

## **ACCOMPANIMENT**

The ISSMA Manual p.20, VIII.I.3 states that solos & ensembles at all ISSMA events may be performed with or without piano accompaniment or with recorded piano accompaniment. Accompaniments, recorded or live, other than piano are not acceptable. For vocal ensembles (p.20, VIII.I.6), the piano, piano recording, or piano recording with recorded percussion accompaniment notated/referenced in the published score, is the only acceptable accompaniment. The "SmartMusic/MakeMusic Cloud" accompaniment system set on the keyboard mode is acceptable at ISSMA Solo & Ensemble. The performer must provide their own equipment for playback or "SmartMusic/MakeMusic Cloud."

### *"A Statement from the ISSMA Office"*

*Directors are responsible for the behavior of their students at all ISSMA events. Instruction regarding proper conduct and expectations should be a part of the overall educational process. It is crucial that host schools, administrators and teachers can confidently host our events without fear of damage or inappropriate behavior.*

*The directors of the member schools will serve as the liaison between ISSMA and schools, students, parents, and staff members regarding questions, comments or concerns for all ISSMA events.*

*Direct contact with any adjudicator is considered inappropriate.*

*Thank you in advance for your cooperation.*

### **ISSMA Statement of Philosophy (Core Values)**

**ISSMA** believes that every student in grades six through twelve attending an Indiana public or private school should have the opportunity to participate in a music ensemble taught by a licensed music educator that is included as part of each school's core curriculum.

**ISSMA** believes that participation in school music ensembles contributes to students' language and auditory development; physical, emotional, and social development; and cognitive and creative thinking skill development.

**ISSMA** believes that participation in educationally evaluated music performance opportunities provide an external assessment that promotes sound educational principles of music education.

**ISSMA** believes that participation in an ISSMA event should be focused on the commitment to achieving individual and group goals and accepted standards of excellence and should not be focused on winning a competition.

**ISSMA** believes it has legal and moral responsibility to provide a safe and respectful environment for participants, workers, adjudicators, volunteers and spectators.

### Dear Solo and Ensemble Parent,

We are pleased that you and your child will be with us on February 1 at Tri-West High School and want you to know that we will be doing everything possible to make your experience as positive and as safe possible.

Our school is on **EST** and is located at 7883 IN-39, Lizton, IN, 46149.

You will find that the best location to park will be the North Parking Lot (next to the Band Tower) with entry at Door 5. Percussion may enter through Door 8 on the East side of the building if you are bringing your own equipment. Door 18 will be open for anyone parking in the South lot (football field/baseball diamonds).

We would also like to remind you of these very important points:

- 1) It is important to plan to arrive at least 30 minutes prior to your child's scheduled performance time.
- 2) Solo and Ensemble performance schedules are affected by many variables which may result in your child not performing at the exact time as scheduled. Please be patient and cooperative with the volunteer door monitors as they facilitate the flow of performers and spectators in the room.
- 3) To provide the opportunity for students to perform their best, no one is permitted to enter the room once the door has been closed for the performance.
- 4) Your child must provide music to the adjudicator that has all performed measures numbered. If your child is performing in an ensemble/group, the group leader should be responsible for ensuring this has been done.
- 5) Please remember to turn off all cell phones and electronic devices prior to entering the performance area.
- 6) It is important that the warm-up rooms and hall areas be kept as quiet and accessible as possible. Please assist us in keeping the "noise" level to a minimum, especially outside of performance rooms.
- 7) There will be food available for purchase at the performance site. Please be sure to keep all food and drink in the designated area and out of the warm-up and performance rooms.
- 8) After your child has performed, they should retrieve the music that was used by the adjudicator and a voucher card indicating the rating received from the Doorkeeper of the performance room. The voucher card should be presented to a Medal Table at the performance site the day of performance to receive the appropriate award for performance.
- 9) The Adjudicator Sheet will only be made available to your Music Director at the end of the performance day. Directors will distribute the adjudication sheets to students at a later time.
- 10) If your child receives a Gold Rating on a Group I level event and wishes to perform at the State Event, they must inform and pay their director prior to leaving the performance facility. The school's music director must make all State Solo and Ensemble Entries on the District Performance Day.
- 11) Directors serve as the liaison between ISSMA and schools, students, parents, and staff members.

Any questions, comments, or concerns must be reported to the director who has entered the student in the event. Parents should never engage in a conversation with the judge.

If you should have any further questions, please contact your child's school music teacher for clarification.
